Debut Memoir “A Tatterdemalion’s Testimony” Shares Transformative Journey of Becoming a Christian

Beverly, MA — October 28, 2025 — Author Sarah Vigue announces the release of her debut memoir, *A Tatterdemalion’s Testimony* (Mereditbly LLC / November 12, 2025), a deeply moving account of overcoming trauma to find faith and healing.

In this unforgettable memoir, Vigue invites readers into her story of resilience, learning to love and healing from past wounds. With raw honesty and lyrical prose, [*A Tatterdemalion’s Testimony*](#) explores redemption and transformation.

“A Tatterdemalion’s Testimony is more than a memoir. It’s an encouragement to those who have walked through trauma and need hope.” — Sarah Vigue

Early readers and ministry professionals have praised its honesty and healing depth. One Christian counselor called it “a vital voice for the wounded and a reminder that faith is not the denial of pain but the discovery of God within it.”

A Tatterdemalion’s Testimony will resonate with readers of Christian memoir and testimony who seek stories of hope in the face of adversity. It offers solace to those who have ever wondered if they are too broken to be loved—and reassurance that redemption and authentic faith begin exactly there.
